Risk Disclosure Statement

Before engaging in foreign exchange or precious metals trading, you should be aware of the risks which may be involved in such trading. You should not enter into a transaction unless you fully understand:

- the nature and fundamentals of the transaction and the market underlying such transactions;
- the extent of the economic risk to which you are exposed as a result of such transactions (and determine that such risk is suitable for you in light of your specific experience in relation to the transaction and your financial objectives, circumstances and resources);
- the legal terms and conditions for such transactions.

You should also be aware of the following:

- 1) You have the responsibility to fully understand the terms and conditions of the transactions to be undertaken, including, without limitation:
 - a) the terms as to price, term, expiration date, restrictions on exercising an OTC option and of the terms material to the transaction;
 - b) any terms describing risk factors, such as volatility, liquidity, and so on; and
 - c) the circumstances under which you may become obliged to make or take delivery of a leveraged foreign exchange transaction or options contract.
- 2) The high degree of leverage that is often obtainable in foreign exchange and precious metals trading can work against you as well as for you due to fluctuating market conditions. Trading in such instruments can lead to large losses as well as gains in response to a small market movement.

If the market moves against you, you may not only sustain a total loss of your initial margin deposit, and any additional funds deposited with Realtime Forex SA to maintain your position, but you may also incur further liability to Realtime Forex SA. You may be called upon to “top-up” your margin by substantial amounts at short notice to maintain your position, failing which Realtime Forex SA may have to liquidate your position at a loss and you would be liable for any resulting loss.

- 3) You may sustain substantial losses on a contract or trade if the market conditions move against your position. It is in your interest to fully understand the impact of market movements, in particular the extent of profit/loss you would be exposed to when there is an upward or downward movement in the relevant rates, and the extent of loss if you have to liquidate a position if market conditions move against you.

Under certain market conditions you may find it difficult or impossible to liquidate a position, to assess a fair price or assess risk exposure. This can happen, for example, where the market for a transaction is illiquid or where there is a failure in electronic or telecommunications systems, or where there is the occurrence of an event commonly known as “force majeure”. Placing contingent orders, such as “stop-loss” orders, will not necessarily limit your losses to the intended amounts, as it may be impossible to execute such orders under certain market conditions.

Because the prices and characteristics of over-the-counter transactions are individually negotiated and there is no central source for obtaining prices, there are inefficiencies in transaction pricing. We consequently cannot and do not warrant that our prices or the prices we secure for you are or will at any time be the best prices available to you.

- 4) Transactions in options involve a high degree of risk and are not suitable for many members of the public. Such transactions should be entered into only by persons who have read, understood and familiarised themselves with the type of options, style of exercise, the nature and extent of rights and obligations and the associated risks.

A person should not purchase any OTC option unless he is able to sustain a total loss of the premium and truncation costs of purchasing the OTC option. The risks associated with selling (“writing” or “granting”) an OTC option may be generally greater than purchasing an OTC option. If the OTC option is not “covered” by a corresponding position in the underlying contract or another OTC option, the potential loss is unlimited. Therefore, due to the high degree of risk associated with selling “uncovered” OTC options, Realtime Forex SA will only allow a client to sell an OTC option if the OTC option is “covered”, thereby reducing the risk.

The objective of this statement is to explain to you, briefly, the nature of foreign exchange and precious metals trading prior to your engaging in such transactions. In particular, you must be aware that the risk of loss in trading foreign exchange and precious metals can be substantial. However, this statement does not purport to disclose or discuss all of the risks and other significant aspects of any transaction. You should therefore consult with your own legal, tax and financial advisers prior to entering into any particular transaction.

I have read and understood the Risk Disclosure Statement as set out above.

These General Conditions (hereinafter “the Agreement”) shall apply to all dealings between Realtime Forex SA and its clients (hereinafter “the Client”).

1. Interpretation

1.1. In these Conditions, the following words and expressions shall have the following meanings:

“Account” means an account of the Client with Realtime Forex SA;

“Agreement” means these General Conditions, each Contract and any document amending and/or expressed to be supplemental to any or all thereof which together constitute a single agreement between the Client and Realtime Forex SA;

“Authorised Person” means a person authorised by the Client to give instructions to Realtime Forex in accordance with the provisions of clause 3.1.;

“Business Day” means a day on which banks and/or foreign exchange markets are open for business in Geneva, Switzerland;

“Contract” means any contract, whether oral or written, for the purchase or sale of any currency or precious metal, including any OTC option relating thereto, entered into by Realtime Forex SA with the Client or any back to back agreement which Realtime Forex SA may enter into to enable it to fulfil its obligations under such a contract;

“Contract Note” means a document confirming entry into a Contract;

“Market Rules” means the rules, regulations, customs and practices of any organisation or market involved in the execution or settlement of a Contract and any exercise by any such organisation or market of any power or authority conferred on it;

“Services” means the services to be provided by Realtime Forex SA under this Agreement;

“Value Date” means the date for settlement of a Contract specified in the applicable Contract Note.

1.2. In these Conditions, unless the context otherwise indicates:

- a) words denoting the singular shall include the plural and vice versa and words denoting a given gender shall include all other genders;
- b) references to persons are to any persons, firms, companies or any association or partnership (whether or not having separate legal personality);
- c) headings are for convenience only and shall not affect the interpretation hereof.

2. Services

2.1. Under the terms of this Agreement, the Client may enter into transactions with Realtime Forex SA in connection with the following instruments:

- a) spot and forward foreign currency and precious metal contracts;
- b) foreign currency and precious metal OTC options;
- c) foreign currency swap transactions;
- d) such other investments as Realtime Forex SA may from time to time agree in writing.

2.2. The Services may involve margined transactions, where the Client is required to deposit cash or other assets to secure performance of the Client’s obligations under the Contract.

2.3. Both Realtime Forex SA and the Client will, unless otherwise agreed in writing, enter into Contracts as principal. If the Client acts on behalf of a principal, whether or not the Client identifies that principal to Realtime Forex SA, Realtime Forex SA will not accept that principal as an indirect client, unless otherwise agreed in writing. Additionally, the Client acknowledges that he is aware of the identification requirements of the Swiss Federal Money Laundering Act. In this respect, he undertakes to provide Realtime Forex SA with the identity and personal particulars of the principal, as per separate document (See Verification of the Beneficial Owner form).

2.4. Realtime Forex SA will, in general, not provide any advice to the Client. If Realtime Forex SA effects a transaction with or for the Client this shall not be taken to mean that Realtime Forex SA recommends, or concurs on the merits of, the transaction or that the transaction is suitable for the Client. On the rare occasion that Realtime Forex SA does provide advice, the advice may be given orally or in writing.

2.5. The Client acknowledges that many Contracts will be effected subject to, and in accordance with, Market Rules. In particular, the Client acknowledges that Market Rules usually contain wide powers in an emergency or otherwise undesirable situation, and the Client agrees that if any market or other organisation takes any action which affects a Contract then Realtime Forex SA may take any action which it, in its discretion, considers desirable in the interests of the Client and/or Realtime Forex SA. Realtime Forex SA shall not be liable for any loss suffered by the Client as a result of the acts or omissions of any market or organisation or any action reasonably taken by Realtime Forex SA as a result of such acts or omissions.

Realtime Forex SA may, in its reasonable opinion, determine that an emergency or an exceptional market condition exists (a “Force Majeure Event”), in which case Realtime Forex SA will, in due course, take reasonable steps to inform the Client. A Force Majeure Event shall include, but is not limited to, the following:

- a) any act, event or occurrence (including, without limitation, any interruption of power supply or electronic or communication equipment failure, strike, riot or civil commotion) which, in Realtime Forex SA’s opinion, prevents it from maintaining an orderly market in one or more of the currencies in respect of which Realtime Forex SA ordinarily allows the Client to enter into Contracts;
- b) the suspension or closure of any market or the abandonment or failure of any event upon which Realtime Forex SA bases, or to which it in any way relates, its quote, or the imposition of limits or special or unusual terms on the trading in any such market or on any such event; or
- c) the occurrence of an excessive movement in the level of any exchange rate and/or corresponding market.

2.6. Neither the information nor any opinion expressed in Realtime Forex SA’s web site and/or Realtime Forex

SA's contractual or other documentation constitutes a solicitation, an offer or a recommendation of Realtime Forex to buy or sell any currencies or to engage in financial investments or transactions, or in any other transaction.

3. Instructions

- 3.1. The Client may give Realtime Forex SA oral or written instructions. Realtime Forex SA shall be entitled to act upon the oral or written instructions of any person so authorised or any person who appears to Realtime Forex SA to be an Authorised Person, notwithstanding that the person is not, in fact, so authorised. For these purposes, written instructions may be given by letter, facsimile, or via the Internet or other electronic means of communication and oral instructions in person or by telephone. Realtime Forex SA shall not be obliged to confirm such instructions.
- 3.2. The Client shall advise Realtime Forex SA of the identity of any persons authorised to give instructions to Realtime Forex SA on behalf of the Client in accordance with and for the purposes of this Agreement. Any such notice shall be in writing and shall set out the names and specimen signatures of the person or persons to be authorised. Any such authority may be revoked by notice in writing by the Client but shall only be effective upon written confirmation by Realtime Forex SA of Realtime Forex SA's receipt of notice of revocation. Realtime Forex SA shall not be liable for any loss, direct or indirect, resulting from the Client's failure to notify it of such revocation.
- 3.3. Once an instruction has been given by, or on behalf of, the Client it cannot be rescinded, withdrawn or amended without Realtime Forex SA's express consent. Realtime Forex SA may at its absolute discretion refuse any dealing instruction given by, or on behalf of, the Client without giving any reason or being liable for any loss occasioned thereby.
- 3.4. The Client shall promptly (and within the limits imposed by Realtime Forex SA) give any instructions Realtime Forex SA may request from the Client in respect of any Contract or proposed Contract. If the Client does not provide such instructions promptly, Realtime Forex SA may, in its absolute discretion, take such steps at the Client's cost as Realtime Forex SA considers appropriate for its own protection or for the protection of the Client.
- 3.5. If the Client does not provide Realtime Forex SA with notice of its intention to exercise an OTC option at the time stipulated by Realtime Forex SA, Realtime Forex SA may treat the option as abandoned by the Client and, if so, will notify the Client.
- 3.6. Realtime Forex SA shall not be liable for any loss, expense, cost or liability (including consequential loss) suffered or incurred by the Client as a result of instructions being given, or any other communications being made, via the Internet. The Client will be solely responsible for all orders, and for the accuracy of all information, sent via the Internet using the Client's name or personal identification number. Realtime Forex SA will not execute an order until it has confirmed the order to the Client and transmission of an order shall not give rise to a binding Contract between Realtime Forex SA and the Client.

3.7. Instructions shall be acknowledged orally or in writing by Realtime Forex SA, as appropriate.

3.8. If Realtime Forex SA does not receive instructions from the Client to settle any open Contracts by the close of the Business Day two days prior to Value Date of the said Contracts, Realtime Forex SA is hereby authorised (but not obliged) to rollover (or "swap") all said Contracts to the next Value Date traded.

3.9. The Client shall indemnify Realtime Forex SA and keep Realtime Forex indemnified against all losses which Realtime Forex SA may suffer as a result of any error in any instruction given by an Authorised Person, or acting on any instruction which is, or appears to be, from an Authorised Person.

3.10. Realtime Forex SA may (but shall not be obliged to) require confirmation (in such form as Realtime Forex SA may request) of any instruction if it appears to Realtime Forex SA that such confirmation is necessary or desirable, or if such instruction is to close an Account or remit money to the Client.

4. Margin Deposits, Collateral and Payments

4.1. The Client shall pay to Realtime Forex SA:

- a) such amounts of money as required by Realtime Forex SA, and in a currency acceptable to Realtime Forex SA, as initial or variation margin;
- b) such amounts of money, as may be required from time to time, due to Realtime Forex SA under a Contract; and
- c) such amounts of money as may be required in or towards clearance of any debit balance on any Account.

4.2. With the prior agreement of Realtime Forex SA, the Client may provide Realtime Forex SA with a bank guarantee, in a form acceptable to Realtime Forex SA, instead of cash, for the purpose of complying with its obligations under clause 4.1.

4.3. Without limiting the Client's obligation to pay margin deposits, Realtime Forex SA will have no obligation to ensure margin deposit requirements have been satisfied by the Client before effecting a Contract and the Client's obligations in respect of a Contract will not be diminished by any failure by Realtime Forex SA to enforce payment of outstanding margin deposits prior to entering into the Contract.

4.4. Realtime Forex SA may use any money received from the Client in order to satisfy Realtime Forex SA's obligations to any third party and Realtime Forex SA shall not be obliged to account to the Client for any resulting income received by Realtime Forex SA.

4.5. The Client shall promptly deliver any money deliverable by it under a Contract in accordance with the terms of that Contract and with any instructions given by Realtime Forex SA for the purpose of enabling Realtime Forex SA to perform its obligations under any corresponding Contract entered into between Realtime Forex SA and a third party.

4.6. Realtime Forex SA may (but shall not be obliged to) convert any monies held by it for the Client into such other currency as Realtime Forex SA considers necessary or desirable to cover the Client's obligations and liabilities in that currency at such rate of exchange as Realtime Forex SA shall select.

- 4.7. If the Client fails to provide any margin deposit or other sum due under this Agreement in respect of any Contract, Realtime Forex SA may close out any open Contract without prior notice to the Client and apply any proceeds thereof to payment of any amounts due to Realtime Forex SA.
- 5. Right of Pledge, Lien, Set-Off and Retention**
- 5.1. Realtime Forex SA shall, at any time, be entitled to offset against each other the balances of all accounts the Client maintains with Realtime Forex SA (regardless of designation of currency of the account) or to offset each balance individually. For all its claims arising from its business relations with the Client, irrespective of the maturity dates of such claims or of the currencies in which they are denominated, including unsecured or collateralised claims, Realtime Forex SA shall have a right of lien and pledge, and a right of retention, on all assets held in the Client's name or otherwise deposited with Realtime Forex SA.
- 6. Client Monies**
- 6.1. The Client's money will not be segregated from Realtime Forex SA's money. It may be used by Realtime Forex SA in the course of Realtime Forex SA's business and, in the case of bankruptcy, the Client will rank as a general unsecured creditor of Realtime Forex SA.
- 7. Contract Notes and Monthly Statements**
- 7.1. In respect of each Contract entered into by Realtime Forex SA with the Client, Realtime Forex SA will send to the Client a Contract Note by the close of business on the Business Day on which the Contract is concluded, unless the Contract is entered into after 10:30 PM CET in which case, in respect of such Contract Note, the Contract will be treated as having been effected on the next following Business Day. The failure of Realtime Forex SA to send a Contract Note will not prejudice the rights and obligations of either party under a Contract.
- 7.2. A monthly statement in respect to every Account, including any open Contracts which the Client may have, shall be sent to the Client within two weeks of the end of each calendar month.
- 7.3. The Client must verify the contents of each document received from Realtime Forex SA. Such documents shall, in the absence of manifest error, be conclusive unless the Client notifies Realtime Forex SA in writing to the contrary within ten Business Days of receiving such document.
- 8. Default**
- 8.1. Without prior notice to, or receiving further authority from the Client, Realtime Forex SA shall have the right to close out all or any part of any Contract, and realise any securities or other assets of the Client held by Realtime Forex SA, upon or at any time after the happening of any of the following events:
- the Client fails to make any payment due under this Agreement on the due date;
 - the Client fails to observe or perform in whole or in part any of the provisions of this Agreement or commits a material breach of the representations, warrants or undertakings in clause 8.1.;
 - the Client dies, is declared absent or becomes of unsound mind;
- a bankruptcy petition is presented in respect to the Client or, if a partnership, in respect to one or more of its partners or, if a company, any steps are taken or proceedings initiated or protection sought under, any applicable bankruptcy reorganisation or insolvency law by it in respect of itself or against it including, without limitation, the taking of any steps for the appointment of a receiver, trustee, administrator or similar officer to be appointed over its undertakings or assets or any part of them;
 - a petition is presented for the winding up of the Client;
 - an order is made or a resolution is passed for the winding up of the Client (other than for the purposes of a bona fide reconstruction or amalgamation);
 - the Client convenes a meeting for the purpose of making or proposing or entering into any arrangement or composition for the benefit of its creditors (other than for the purposes of a bona fide reconstruction or amalgamation);
 - a distress, execution, or other process is levied against any property of the Client and is not removed, discharged or paid within seven days;
 - any security created by the Client becomes enforceable and the mortgagee or the chargee take steps to enforce the security;
 - any indebtedness of the Client or any of its subsidiaries becomes immediately due and payable, or capable of being declared so due and payable, prior to its stated maturity by reason of default of the Client (or any of its subsidiaries) or the Client (or any of its subsidiaries) fails to discharge any indebtedness on its due date;
 - Realtime Forex SA or the Client is requested to close out a Contract (or any part of a Contract) by any regulatory agency or authority;
 - Realtime Forex SA reasonably considers it necessary for its own protection.
- 8.2. Without prejudice to any other rights Realtime Forex SA may have, it shall be entitled to combine or consolidate all or any of the accounts maintained by the Client with Realtime Forex SA to set off any amount at any time owing from the Client against any amount owing by Realtime Forex SA to the Client. Any security, guarantee or indemnity given to Realtime Forex SA by the Client for any purpose shall extend to any amount owing from the Client after exercise of such right set-off.
- 9. Client Representations, Warranties and Acknowledgements**
- 9.1. The Client represents, warrants and undertakes at the time this Agreement is made and the making of each Contract hereunder that:
- it is not under any legal disability with respect to, and is not subject to any law or regulation which prevents its performance of, this Agreement or any Contract contemplated by this Agreement;
 - it has obtained all necessary consents and has the authority to enter into this Agreement (and if the Client is a company, it is properly empowered

- and has obtained necessary corporate or other authority pursuant to its constitutional and organisational documents);
- c) all sums made by way of deposit or security shall, subject to this Agreement, at all times be free from any charge, lien, pledge or encumbrance;

 - e) the information provided by the Client to Realtime Forex SA is complete, accurate and not misleading in any material respect.
- 9.2. The Client agrees and acknowledges that
- a) Realtime Forex SA will, in general, not provide any advice to the Client. If Realtime Forex SA effects a transaction with or for the Client this shall not be taken to mean that Realtime Forex SA recommends, or concurs on the merits of, the transaction or that the transaction is suitable for the Client;
 - b) dealing in foreign currencies and precious metals carries a high degree of risk and adverse market movements can give rise to losses exceeding the Client's original deposit and consequently the Client can afford to lose the sums which it remits to Realtime Forex SA as deposit and otherwise satisfy any losses resulting from a Contract;
 - c) Realtime Forex SA will not be responsible for advising the Client as to any taxation liabilities that may arise in relation to services provided by Realtime Forex SA hereunder;
 - d) the foreign exchange market is unregulated and although all Contracts are executed in accordance with applicable laws, the Client will not benefit from any statutory or other compensation scheme in respect of its foreign exchange trading through Realtime Forex SA.
 - e) except as regards its qualification as financial intermediary, under the Swiss Federal Money Laundering Act, Realtime Forex SA is not subject to any licence or other regulatory requirements.
- 10. Tape Recording of Conversation**
- 10.1. The Client acknowledges and expressly accepts that Realtime Forex SA may record all telephone conversations between the parties. Such recordings shall remain the property of Realtime Forex SA and the Client agrees to the use thereof or transcript there from as evidence by Realtime Forex SA in any dispute or anticipated dispute between the parties under this Agreement.
- 10.2. Any such recordings or transcripts made by Realtime Forex SA may be destroyed by it in accordance with its usual practice.
- 11. Information Disclosure**
- 11.1. By entering into this Agreement the Client authorises Realtime Forex SA to disclose such information relating to the Client as may be required by any law, rule or regulatory authority, including any applicable Market Rules, without prior notice to the Client.
- 12. Communications**
- 12.1. Communications may be made to the Client at such address, telephone, facsimile or email address notified from time to time to Realtime Forex SA for this purpose. Any communication by telephone, facsimile or email shall be deemed to have been made or (as the case may be) delivered when dispatched. Any communication by letter shall be deemed to have been made forty-eight hours after being sent to it at that address by prepaid first-class post in the case of an address in Switzerland, or, in the case of an address outside Switzerland, six Business Days after being sent to it at that address by mail. The Client shall ensure that at all times Realtime Forex SA will be able to communicate with the Client or his appointed representative by telephone, facsimile or email.
- 12.2. At the specific request of the Client, Realtime Forex SA will retain on deposit (hold all mail) all communications concerning the Client. **Such communications retained by Realtime Forex SA are deemed validly delivered to the Client as of the date they bear even if effective delivery to the Client happens at a later date.** The Client undertakes to take delivery of the mail so held by Realtime Forex SA at least every twelve months. In the absence of actual delivery, Realtime Forex SA may forward the mail to the mailing address communicated to Realtime Forex SA by the Client by mail or facsimile transmission or, in the absence of specification of a mailing address, to the last known address of the Client. Realtime Forex SA accepts no responsibility arising out of the retention of communications for the Client or resulting from their mailing to the Client's last known address.
- 12.3. Communications may be made to Realtime Forex SA at the address and telephone number notified to the Client for this purpose and shall be considered to have been duly made only upon their actual receipt by Realtime Forex SA.
- 13. Joint Accounts**
- 13.1. If the Client is more than one person (in the case of joint account holders), the liabilities of each such person shall be joint and several, and Realtime Forex SA may act upon instructions received from any one person who is, or appears to Realtime Forex SA to be, such a person.
- 14. Termination**
- 14.1. Either party may terminate this Agreement upon written notice to the other, such notice to specify the date on which termination is to be effective and if no such date is specified, it will be terminated with immediate effect.
- 14.2. Upon or any time after termination of this Agreement, Realtime Forex SA shall have the right (but shall not be obliged) to close out all or any part of any open Contract in effect at the date of termination and the terms of this Agreement shall continue to bind both parties in relation to such Contracts.
- 15. Indemnity and Limitation of Liability**
- 15.1. The Client hereby agrees to indemnify Realtime Forex SA and keep Realtime Forex SA indemnified against all losses, expenses, costs (including legal costs), and liabilities whatsoever which arise, directly or indirectly, as a result of Realtime Forex SA's proper performance of its obligations, or the enforcement of its rights pursuant to these Conditions, or by reason of any breach by the Client of this Agreement.
- 15.2. These indemnities shall be in addition to any other right, indemnity or claim which Realtime Forex SA
